

DAVID
PENN

The new buzzword in wedding entertainment is the 'X Factor'. The 'X Factor' is the element that guarantees your guests will not only enjoy your wedding day but will remember and be talking about it for a long time to come. David Penn promises to supply the 'X Factor' at your event.

Although the focus of any wedding is the bride and groom, choosing entertainment that will amaze and astound your guests will make your big day a truly magical and memorable event for all involved.

David Penn is a professional magician who helped pioneer the modern style of magic known as 'Close-Up' and has won more national awards for magic than any other magician in the UK.

David does not just do 'tricks'. His unique style of magic is performed at very close quarters and will quickly captivate and then totally astound your guests. David performs amazing magic so close that, if you weren't watching live, you would think it was a camera trick. Amongst other amazing effects; spectators' watches appear on David's own wrist, bottles of Champagne appear, a borrowed signed bank note is discovered in a kiwi fruit that a spectator is holding and goldfish materialise out of thin air! It was this elite level of magic that won David the British Magical Championships and The Magic Circle's 'Close-Up Magician of the Year' award.

David was also a featured performer on ITV's "Astounding Celebrities" program, shown over Christmas, and can be seen in six further shows to be aired in 2004.

If you want your wedding to have the 'X-Factor', no one else will do!

Dear Mum.

March 23rd.

Dear David.

We felt we must write to thank you so much for your contribution to Paul & Annabel's wedding day. The whole day went so perfectly and everyone is talking about you, especially the champagne & goldfish trucks. Everyone has been extremely complimentary on the way the wedding seemed to flow. Letters are still flooding in describing the day as "the perfect wedding".

Thank you once again.

Yours gratefully

25th August

Dear David,

Just a note to express our most grateful thanks for your appearance at our daughter and son-in-law's (!) wedding on 18th August. When we first spoke to you we were already confident that you were the person we were looking for to add that extra special touch to the day. You exceeded our expectations by far!

There is only one chance to make a wedding day perfect. Our special day was perfect. You were brilliant.

The best way for us to thank you is by keeping your card and phone number close to hand for the next time we have a special occasion. No-one else will do!

Our grateful thanks
and kindest regards,

Jackie & Peter Goodman.
